ORDER:

The petitioner approached this court through this writ petition seeking to declare that the action of the respondent in not renewing his passport is illegal, arbitrary and in violation of natural justice.

The petitioner contends that he holds a passport, which was obtained previously. He made an application for renewal of the passport. The passport officer sent his passport for police verification. After the police verification, when necessary

information was required by the respondent, the petitioner furnished the said information. But, the respondent did not pass any order on his application for renewal of the passport.

Heard both sides.

The respondent is directed to pass appropriate orders as per Rules on the renewal application made by the petitioner in the year 2002.

The writ petition is, accordingly, disposed of. No order as to costs.
